SAL targeting | coarse-to-fine optimization

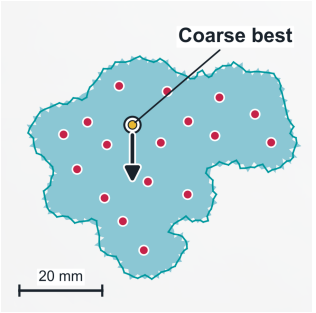

SAL Target

Teal: scalp search support

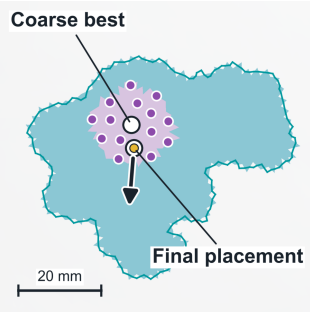

Coarse search

19 centers x 12 orientations

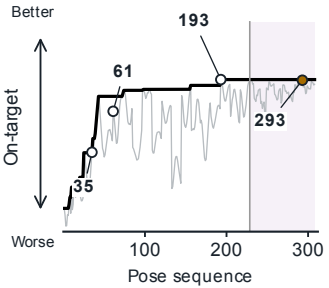

Fine search

16 centers x 5 orientations

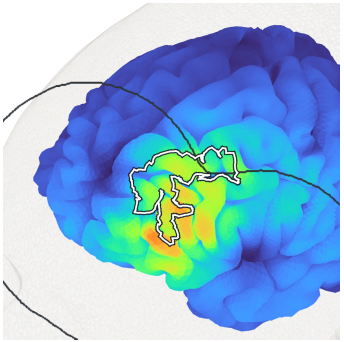

Search history

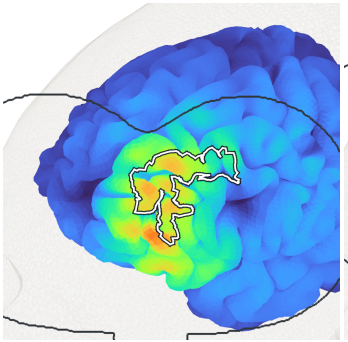

Black: best eligible

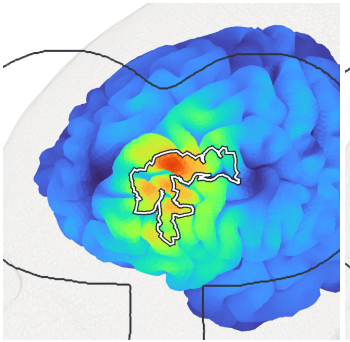

Pose 35

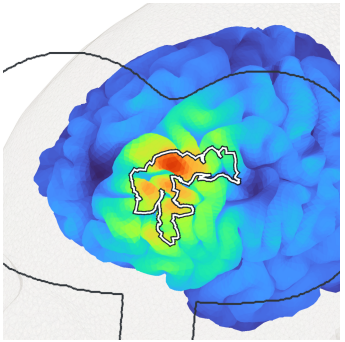

Pose 61

Pose 193

Pose 293

Initial samples → Final placement

Position and orientation refinement

White outlines: target SAL network

Grid arrows: coil handle direction

Illustrative final placement; scores 1-20 schematic, 21-308 from simulations.
